**Three reasons to visit Finger Lakes in upstate New York.**

Sometimes the most interesting [destinations](#) for a wedding, honeymoon or vacation are not always the most obvious, or even the most exotic-sounding. [Recently](#) I came across some information about **New York's Finger Lakes**. The **Finger Lakes** are a pattern of odd-looking lakes in the west-central section of Upstate **New York**, and are a popular tourist destination. True to the region's name, they run from north to south, are skinny and actually look like fingers from an aerial view. Here are three reasons to visit the **Finger Lakes** in **New York**:

**Wine, beautiful country and more wine – Finger Lakes Wine Country** is a beautiful and natural **location** which offers every kind of backdrop you could imagine - rolling hills, vineyards, waterfalls, gorges, small town churches and even your fairytale castles dot the lush countryside. The region also boasts several facilities that can host parties, wedding rehearsal dinners and there plenty of rooms for your family and guests to stay. Every July, there's the **famous** Finger Lakes Wine Festival as well. What goes better with some beautiful scenery than **wine**?

**Lots to do, many things to see** – If **wine** is not your thing, there are plenty of art museums, historic sites, walking trails, wineries, breweries, distilleries, restaurants and much more in the surrounding areas of Elmira, Corning and Watkins Glen. There's lots to do, so if you are having a wedding in the area, your guests won't be **bored** if there's any down time!

**Winter, spring, summer or fall, the Finger Lakes have it all** – No need to worry about what season it is, the **Finger Lakes** region is a great area to visit no matter what time of year it is. The Holiday Inn of Elmira-Riverview and Holiday Inn Express in Horseheads are two nice and affordable places to stay.
