[Susan](#) | September 13, 2011 | [0 Comments](#)

As today's temperature approaches 80 degrees, it's hard to imagine that in just four weeks it will be time for jeans and sweatshirts, and Fall Foliage will be putting on a riotous display of color. Fall is the favorite time of year to load up the car and head out for the pure joy of savoring the roadside scenery. This year may be especially challenging given the price of gasoline, so we're pulled together a list of great getaway promotions to locations with stunning scenery. **Each one of the Fall Foliage 2011 deals below (organized by region) offers FREE GAS CARDS and other great incentives to come visiting and take in the brisk autumn air.**

### Across The U.S.A.

**Bed and Breakfast.com** has over 30 inns across the country participating in the [Tanks for Traveling](#) promotion that offers Ga\$ back deals. For example, The Black Bear Inn in Bolton Valley Vermont rewards Hybrid driving guests with a \$100 Gas gift card when staying for 3 nights and a \$50 gas card for others.

**BetterWayToStay.com** has almost 100 lodgings participating in their [BnB's Kick Gas](#) promotions where travelers receive gas deals and rebates, car tune-ups, rewards and fuel saving driving tips.
